CABLE TELEVISION AND CHEETAH BROADBAND SERVICE AGREEMENT

("Agreement")

This Agreement sets forth the terms and conditions governing the provision of cable television and broadband internet services by **SKYLINE CATV INDUSTRIES, INC.** ("Service Provider") to the Subscriber ("Subscriber"). By signing below, the Subscriber agrees to abide by these terms.

1. Services

The Service includes access to television programming (Cable TV) and/or broadband internet connectivity (Cheetah Broadband), as subscribed by the Subscriber. All rights to programming, content, and services remain with the Service Provider or its licensed third-party providers.

The Service Provider may, at its discretion, modify or discontinue channels, programming, service offerings, or Cheetah Broadband plans without prior notice. Subscribers are not entitled to refunds or compensation due to such changes.

2. Fees and Charges

- The Subscriber agrees to pay applicable installation fees, monthly subscription fees, taxes, and other charges.
- A security deposit equivalent to one month's subscription is required. This deposit is non-interest-bearing and is consumable prior to termination or refundable if no outstanding balance exists at the time of termination. The deposit is forfeited if the Subscriber terminates within the 24-month lock-in period.
- Subscription fees shall continue to accrue during interruptions caused by force majeure, government action, or other causes beyond the Service Provider's control.
- Late payments are subject to penalties, interest, and possible referral to a collection agency, with surcharges charged to the Subscriber.

The Service Provider reserves the right to adjust fees, subject to applicable government regulations, with 30 days' prior notice.

3. Equipment and Ownership

- All equipment (set-top boxes, modems, ONU/ONT units, remotes, cables, routers) provided by the Service Provider remain its property unless purchased by the Subscriber.
- Equipment is covered by a 3-month warranty, excluding damage caused by negligence, tampering, lightning, surges, liquid, fire, or force majeure.
- The Subscriber is responsible for lost, damaged, or unreturned equipment and shall pay full replacement cost.
- All equipment must be returned upon termination or disconnection of service.

4. Statements of Account & Payments

- Statements of account will be sent exclusively via email to the Subscriber's registered email. Hard copies shall no longer be issued.
- The Subscriber is responsible for monitoring email notifications. Non-receipt of the statement is not a valid excuse for late or missed payments.
- Payments shall be made only through authorized payment channels. Payments made through unauthorized channels or with incorrect details will not be recognized.
- The Service Provider shall not be liable for misposted or missing payments due to the Subscriber's failure to follow authorized payment instructions.

5. Minimum Subscription (Lock-In) Period

- The minimum subscription period is 24 months from activation.
- Early termination requires payment of a pre-termination fee equivalent to unrealized income or fixed amount of Five Thousand Pesos (Php5,000.00) whichever is applicable, in addition to forfeiture of the security deposit.
- Unless terminated with 30 days' written notice prior to expiry, this Agreement automatically renews under the same terms.

6. Subscriber Obligations

- The Subscriber must use the Service solely for private, residential purposes, unless otherwise agreed in writing for commercial service.
- Unauthorized redistribution, rebroadcasting, or commercial exploitation of content is strictly prohibited and may result in termination and legal action.
- The Subscriber must promptly report service issues through official customer service channels and allow reasonable access to premises for authorized personnel performing installation, maintenance, or repairs.

7. Installation and Maintenance

- Only Service Provider personnel may install, modify, or repair service lines, drop wires, or related equipment. Unauthorized alterations may result in disconnection and additional charges.
- Replacement of damaged indoor fiber optic cable shall be at the sole expense of the subscriber.
- The Subscriber shall provide the Service Provider's authorized personnel with reasonable access to the premises for inspection, troubleshooting, maintenance, or necessary service upgrades to ensure the continued quality and reliability of the Service.

8. Disconnection and Termination

- The Service Provider may suspend or disconnect service without prior notice for: Non-payment, Unauthorized transfer of service, Illegal use, or Violation of this Agreement.
- Subscribers may request voluntary disconnection with 30 days' prior written notice.
- All outstanding balances, pre-termination fees, and equipment obligations must be settled prior to disconnection.

9. IP Addresses (Cheetah Broadband Subscribers)

Static IP addresses may be provided upon request, subject to availability and additional monthly fees.

10. Compliance with Laws

- The Subscriber agrees to comply with all applicable laws of the Republic of the Philippines, including but not limited to:

  - **Cybercrime Prevention Act of 2012 (RA 10175)**,
  - **Intellectual Property Code of the Philippines (RA 8293)**, and
  - other relevant statutes, rules, and regulations.
- The Subscriber shall not use the Service for any unlawful, illegal, or fraudulent activities, including but not limited to: hacking, spamming, phishing, child pornography, identity theft, fraud, distribution of obscene or offensive material, or infringement of intellectual property rights.
- The Subscriber acknowledges and agrees that they are solely responsible for all activities and content transmitted through their account and assigned IP address**.** Any illegal, unauthorized, or fraudulent use traced to the Subscriber's account or IP shall be conclusively presumed to have been committed by the Subscriber, regardless of whether such act was done with or without their knowledge or consent.
- The Service Provider shall not be held liable for any damages, claims, or legal actions arising from the Subscriber's misuse of the Service. The Subscriber further agrees to indemnify, defend, and hold harmless the Service Provider, its officers, directors, employees, and affiliates against any and all claims, liabilities, penalties, fines, damages, costs, or expenses (including attorney's fees) arising from or related to such misuse or violation of law.

11. Limitation of Liability

- The Service Provider does not warrant or guarantee uninterrupted or error-free service**,** as interruptions may occur due to maintenance, technical issues, force majeure, or other factors beyond its reasonable control.
- The Service Provider shall not be liable for indirect, incidental, special, or consequential damages, including but not limited to: loss of data, loss of income or profits, work interruptions, inability to meet business or professional obligations, or unauthorized access to the Subscriber's equipment or data.
- Subscribers acknowledge that the Service is provided primarily for residential and personal use, unless otherwise agreed under a separate commercial contract. The Service Provider shall not be liable for any damages, losses, or liabilities arising from the Subscriber's use of the Service for work-from-home, business, or other professional purposes.
- Sole Remedy: The Subscriber's exclusive and sole remedy for any service interruption, defect, or deficiency shall be limited to either: Restoration of the Service; or A pro-rated credit or refund of the subscription fee for the affected period, at the Service Provider's discretion.

The Subscriber expressly waives any right to pursue additional claims, damages, or remedies beyond those provided herein.

12. Amendments
